Index to Wallaces' Farmer and Iowa Homestead

Volume 67 JANUARY TO DECEMBER, 1942, INCLUSIVE Numbers 1 to 26

General Index

AAA adds 10 per cent to corn allotments, 37
and livestock profits, farmers debate, 420
appropriations, asks for reduction in, 776
asks for greater soybean acreage, 37
check, build up soil and charge to, 183
Cliff Townsend heads, 374
committee, Iowa, has new state committeemen, 112
crop goals, 1943, announcement of, 492
elections, 523
Iowa Grange states its views on, 615
Iowa stays by, 173
leaders, elect, 565
limits on corn acreage, should we take off, 605
makes new bean offer, 650
may ask for more corn in 1943, 392
may pay soybeans more, corn less, 327
new acting head of, 207
offer on soybeans, 146
pay, how to lose, 108
pay rates announced, 773
plans for war year, 105
program for 1943, should we drop all, 605
program, Missouri cotton planters object to new, 15
program, 1943, fight waged over, 374
program, 1943, may increase check for war crops, 327
program to make payments to farmers, 579
reports inexperience slowing up call for government stock, 274
uses benefit payments to help farmers, 744
uses price supports to help farmers, 744
Aberdeen Angus breeders meet, Missouri, 73
Abortion hits swine too, 461
Accidents in the home, 440
on country roads, causes of, 185
serve Axis, 789
watch your step, 245
Acid soils starve plants, 410
Acgeter, Mervin, joins Shorthorn World, 791
Mervin, to Shorthorn job, 428
Agricultural marketing Administration dairy chief, Stitts is, 340
Agriculture appropriations, battle to restore cuts in, 240
A-laying, also let's keep 'em, 61
Alcohol from corn, 207
from wheat, 73
mix for radiators not dangerous if mushy, 787
Alfalfa hay by the stage bloom, cut, 401
hay, proper time to cut, 295
hay to lambs, feeding, 686
leaf meal substitute in poultry ration, 69
leaves, value of, 415
or sweet clover in August, sow, 376
pasture, danger in turning hogs on, 175
weevil ban, lifts, 131
Allbaugh returns to Iowa State, 196
Allis-Chalmers offer, farmers respond to, 455
American Royal, to hold, 231
Shorthorn breeders association elects Tomson, 764
Ames short course, 75
Angus breeders elect officers, 408
meeting, Missouri, 131
show, no national, 410
Animals, sanitary disposal of dead, 356
Apple sauce, canning, 405
varieties for Iowa, four, 145
Appropriation bill to push up feed prices, urged to veto, 213
April, last, was like this, 247
Argentina selling wheat to Spain, 304
cuts corn price, 429
Argentine farmers feeding more hogs, 147
Armed forces, U. S. D. A. men in, 207
Army and navy contracts, firms holding, 15
youngsters for, 521
Ash, green, one of best large shade trees, 215
Ashes and soot from furnace during summer, remove, 401
Award E, Deere plant wins, 519
Awards, dairy cattle, 545
Bacon, bullets, bombs, 389
Bakers' book, home, 131
Baking, yeast recipe book for, 639
Bang's disease, book on, 200
Barley compared favorably with corn, 295
scabby, moderate amounts to cattle and sheep, 604
scabby, to hogs, do not feed, 604
Barns, Buena Vista planning to put up two show, 304
Barrier, livestock, how make a, 268
Barrow show, Marshalltown, 514
show tries new home, 577
Basket repair, suggestion for, 268
Batteries, can purchase good, 671
how about car, 479
Battleship Iowa christened, 492
Beans are ready, will we be when, 433
Beard, Fred, takes position at Washington, D. C., 523
Bed for hogs, dry, 747
Beef cattle show good margin for long feed, 376
ceilings, ask new, 414
Bees, honey, and clover seed, 497
queen, into colonies, when to introduce, 415
ready for winter, getting, 615
Bins, steel, fasten down those, 214
Black damps, how to determine, 445
Black-Out, tractor ends, 99
Blasting caps alone, leave, 259
Blitz for rats, 383
Bloat, suggestion for relieving, 347
what will you do if they, 349
Blow torch, tin can over generator obtains faster heating of, 69
torch, uses for a, 175
Blue grass improves with manure treatment, 3
Board ripping, shoe horn useful for, 3
Bond, win a $1,000 U. S. War, 343
Bonds to buy after the war, how many, 352
turn pigs into, 241
war, Allis-Chalmers awards U. S., 711
Bone weakness in livestock, cause of, 690
Book service, Lucas county, discontinued, 426
Booklets, bulletins and books, 59, 99, 131, 171, 197, 200, 247, 263, 286, 291, 306, 339, 345, 367, 386, 387, 411, 418, 429, 445, 455, 479, 517, 582, 599, 606, 639, 671, 679, 763, 788
Books to USO, mountain, 519
two animal disease, 197
Boom, land, starting, is a, 561
Borden adds new staff man, 711
man, new, 235
Bot fly, time to fight, 747
Boysenberry canes, care of, 571
Brace, horizontal, use, 71
Brake for separator bowl (diagram), 347
Bread baking by new method, 479
baking, new course in, 671
book on, 599
good, right from scratch, 519
guide for making, 639
with old-time yeast flavor, 599
Brides, help for, 263
Brining vegetables, stone jars for, 489
British children receive free fruit juice, codliver oil, 73
Brome-alfalfa mixture for cattle grazing in Argentina, 175
grass, best times to sow, 489
Brooder house plans, 99
Broody hens, feed for, 401
BTV new cholera vaccine, 75
Buck-thorn hedges cause crown rust, 415
Build, encourage tenant to, 498
Build, farmers can, 258, 307
yes, you can, 343
you can still, 272
Building, farmers have done a lot of, 653
Buildings, fix your, 235
stronger, 131
Bull proving, speeds up, 682
wins Iowa's sire index contest for 1942, 532
Bureau of Agricultural Economics, vote on, 185
Burlap sacks, take care of, 69
Bushels to stort, thirty, 187
Butcher, good year to, 718
Butter above parity, 469
at ceiling price, Canada holding, 402
consumption dropped last year, 523
made for the army, 304
production, Canada subsidizing, 469
Butterfat prices, 581
tax, report on, 200
Buying power, farm, hits high point, 497
U. S., consolidate, 230
Cabbage with cabbage when planting, never follow, 215
Calves should gain a pound per day, 151
Calving and rebreeding, short period between more satisfactory, 787
Canker worms, to eradicate, 73
Canning, booklet on home, 367
if you want help, 411
more home, 515
Canvas, how's your, 263
Carburetors, automobile, vary, 295
Cardon in new job, 284
Carnation cow sets record, 386
Carotene declines in storage, 787
Case Company, J. I., century of service, 99
equipment in pageant, use, 411
Cash, farm, for savings, 165
farm receipts exceeded those of 1941, 426
more farm, 147
Casting a horse (diagram), 705
Cattle Congress, Waterloo holds big, 525
feeders never say die, 601
feeders studied markets, 581
feeding popular again, 73
feeding program, hay and grain rations in, 175
feeding trials, Ames station to resume, 639
in 1942, more (map), 402
men keep on, 601
on feed, 276
on feed, fewer, 466
on feed, number of, 42
performance test on, 342
shipments, August, 581
upswing in purebred, 287
Ceiling for town wages, how about, 570
on egg crate prices, 185
on hogs, ask for, 402
price for turkeys, 748
Ceilings, ask new beef, 414
grain men favor, 78
on livestock, farmers try to delay, 613
try to raise feed, 578
Century of service, 99
Chains if it snows, 711
Champion, daughters make him, 532
Cheese, how to smoke, 164
market declines, 207
Maytag makes new, 198
Chemistry leader dies, 429
Chicago fat stock show, 664, 731
Chick brooding, early advantageous, 145
Chicken ranges, advantages of clean ground for, 330
Chickens, disadvantages of overcrowding, 330
how about more, 24
Chicks, requirements for 100, 747
starting, clean up before, 203
Chinch bugs threaten in western area, 376
Cholera early, swat, 263
hog, germs spread, can, 79
hog, symptoms, 571
influenza, etc., hog, to avoid spreading of, 445
vaccine, new, 75
Chores, after, 14, 36, 189, 256, 283, 305
measure travel in doing, 533
save time on, 533
suggestions for planning, 533
Christen navy vessel, farm woman to, 112
Clean ground fails, what if, 481
Clocks ahead, move, 43
Clothespins as tool holders, 69
Clover, Jap, to adopt, 217
Ladino, merits of, 175
sweet, best as green manure in May, 415
sweet, yield small, 581
yellow sweet, may increase, 571
Coccidiosis in cattle, 386
Coffee quality, no change in, 671
Collar, horse, properly fitted, 415
Collars, horse, proper length of, 445
Colostrum essential to calves, 215
Columbia basin, farms planned in, 73
Combine takes over grain harvesting job, 375
Combines for soybeans (map), 492
Combining rates, 376
Comics book with Blue Barrel, 367
Coming, clear your road, 608
Compression lack in tractors, cause of, 447
Concrete, helpful booklets on, 367
helpful leaflets on, 455
quick setting, 99
Congress gets set for fight, 773
Contagious abortion test, cows may commingle if they cease to react to, 175
Contest on soybeans, another, 314
Contests, 116, 731
Contour tillage paid, 291
Contoured field, corn yields in, 268
Contouring demonstrations show how to crop slopes, 274
Corn acreage, expand, 722
acreage next year, more, 392
acres, limit, 173
allotments, AAA adds 10 per cent to, 37
and cob meal tested, 745
another use for, 386
belt made records this year, 523
book, Funk offers, 479
booklet, 479, 671
bundle, placing in ensilage cutter, 489
crop, big, 523
crop insurance, blocks, 273
crop is short, 425
cultivation, speed for, 376
do double duty, making, 519
drying out well after frost, 650
escapes frost, 581
fed with legume hay satisfactory, 399
government, back into circulation, 304
helps grass silage, why, 496
hog ratios unusually favorable, 447
hogging-down, may save 10c per bushel, 528
husking bee, 687
husking, pointers for beginners in, 649
ideas on growing white, 479
left outside, how to cover, 787
less, AAA may pay, soybeans more, 327
let pigs husk some of your, 528
loan, guess size of new, 460
loan program, advantages of, 749
loan rates for Iowa counties, 749
loan rates on new corn (map), 533
loans, 1941, starting out slowly, 42
of feed-lot champions, 519
old, debunk fear of, 399
payment rates announced, 773
per acre, bushels of, 523
price, Argentina cuts, 429
price at Chicago compared with 10-year average, 492
price, raise sweet, 258
price, would wheat sale hurt, 420
production in U. S., total, 523
rates may run from 75 to 81 cents bushel, 460
shelled, soaking increases palatability of, 376
shortage, possible, 392
shoveling, use fork for, 604
stalk and straw piles, value of, 787
stalk beats 26 feet, 551
storage close to hogs reduces chore time, 533
strain, open-pollinated, doubts possibility of breeding better, 111
successfully self-fed to lambs, 747
sunshine needs of, 398
take the lid off, 605
Thompson has 900 acres of, 599
to pigs, go easy on feeding soft, 604
why hogs need more than, 488
with protein supplement, 330
world's oldest ear of, 466
yield for U. S., 469
